

ESSENZA

SLIDING COLLECTION

Letteralmente l'ESSENZA sta ad indicare quelle determinazioni di una cosa, che ne costituiscono la natura.

ESSENZA è l'ultima di queste collezioni ma rappresenta l'inizio di tutto, la base su cui sono costruite Divina, Filo e Fusion nonché l'inizio della storia di Metalglas.

ESSENZA literally indicates the characteristics of an object which constitute its essence.

ESSENZA is the latest of these collections but represents the beginning of everything, the base on which Divina, Filo and Fusion are built, as well as the beginning of the history of Metalglas.

ESSENZA bezieht sich auf jene Bestimmtheit einer Sache, die ihre Natur ausmacht.

ESSENZA ist die neueste dieser Kollektionen, stellt jedoch den Anfang von allem dar, die Grundlage, auf der Divina, Filo und Fusion aufbauen, sowie den Beginn der Geschichte von Metalglas.
